## What am I joining?

West Suburban Alano Society, Inc. (WSA) has been serving Minnetonka & surrounding areas since 1976.

Our objective is to provide a financially self-sustaining facility that promotes personal and social growth for individuals & families in recovery now & years to come.

WSA provides a comfortable and supportive environment to hold meetings and to be with people who understand the process of recovery. This is made possible thanks to the willingness and generosity of members & volunteers.

We are a completely volunteer non-profit 501(c)(3) corporation. We rely entirely on meeting room rent and membership contributions to afford the upkeep and operational expenses of the Alano.

## Show your Gratitude
